Organic is a family history since this vineyard is **producing organic wines since 1989!** With extreme attention given to sort the grapes and low yields. Everything is done to produce Languedoc wines of superior quality, vinified in a traditional way. This wine is a remarkable ambassador of its magnificent terroir!**Alain Chabanon's requirement at affordable prices.**

At the heart of this vintage, created by Alain Chabanon, are all the ingredients that make the quality and fame of the wines from the winemaker.

Those wines are so appreciated around the world that the estate 'Alain Chabanon' cannot provide for everyone. With this rareness, the winemaker decided to create CHABAWINE.

CHABAWINE is therefore a wine made from the best organic grapes in the Languedoc-Roussillon Region.

The **CHABAWINE** range allows everyone to benefit from the '**savoir-faire**' of Alain Chabanon.**CHABAWINE****WB**WINES AND BRANDS®
