

FRENCH BULLDOG

# FRENCH BULLDOG, A PREMIUM WINE COLLECTION FROM THE SOUTH OF FRANCE

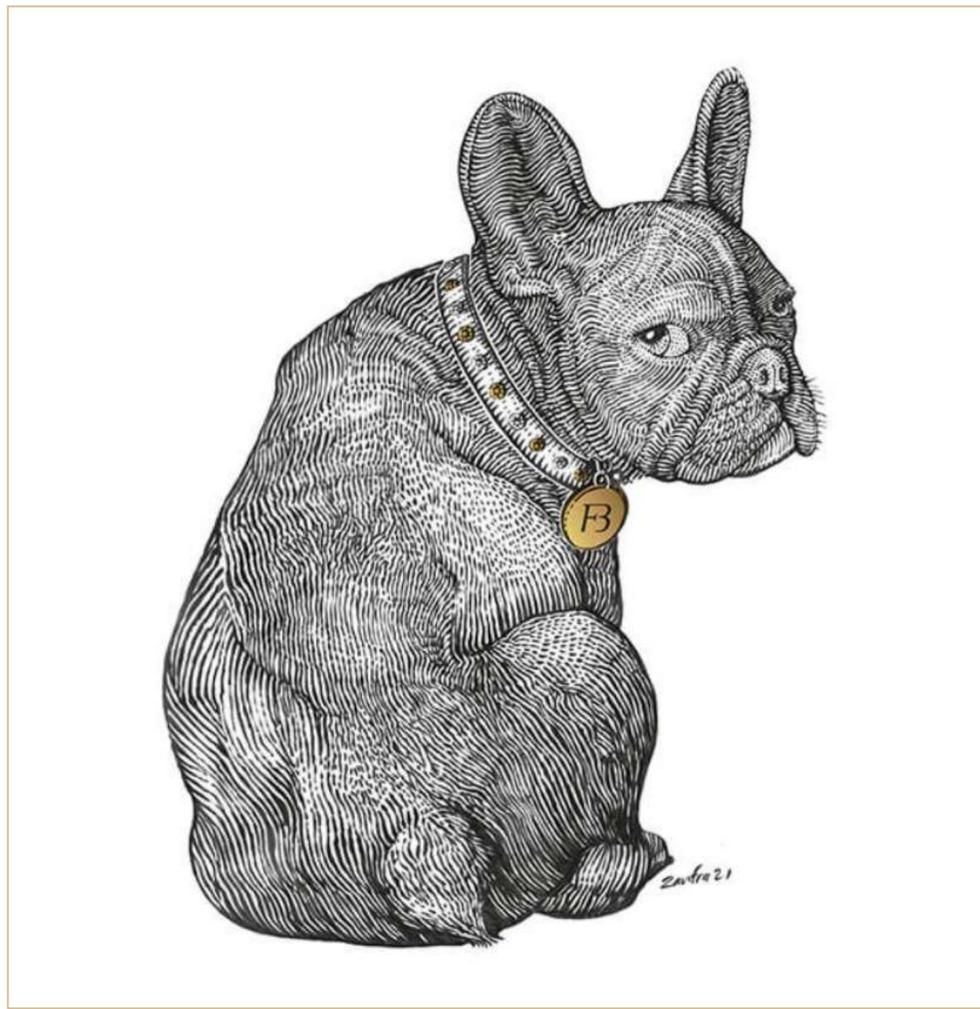

## Unique wines from the Occitanie region

A passionate lover of the noble vineyard landscapes located in the South of France it is our pleasure to introduce our French Bulldog collection. Deeply committed to our heritage and our environment, we are involved in a demanding qualitative approach both in the vineyard and the winemaking, all orchestrated by a sublime work of our oenologists. All the vintages come from plots scrupulously selected. Harvested by hand, all clusters are sorted to select only the best. After the winemaking, the aging of both the white and red is done in barrels. Wines that offer a perfect expression of their terroirs.

## GRENACHE

An arrogant, stubborn and cheerful Bulldog presents a powerful and fruity wine with elegant tannins. From vines planted on well-drained hillsides, located in the north of the Corbières region near Narbonne. A dry, windy, and sunny climate offers beautiful and aromatic wines.

## CHARDONNAY

Bursting with its fruit, it evokes the fruits from the orchard like white peach and apricot with a lot of finesse and sharpness. It offers richness and amplitude in the mouth; its material is voluminous. The final leaves us a memory on the solemnity. From vines planted on well-drained hillsides, located in the north of the Corbières region near Narbonne. A dry, windy, and sunny climate offers beautiful and aromatic wines.

## ROSÉ

This beautiful rosé offers a pale pink color with a hint of gray. Its nose is floral, delicate and complex. Long on the palate with red fruits flavors. From vines planted on well-drained hillsides, located in the north of the Corbières region near Narbonne. A dry, windy, and sunny climate offers aromatic wines.
