## FABRICE SOMMIER

### EXCELLENCE IS THE RESULT OF TRUE DEDICATION

---

Improving the quality of wines from the South of France has always been the philosophy of our winery. This commitment to excellence led to the creation of the Signature Sommelier collection. A collection that highlights the best Sommeliers in the world and their know-how. This Gourmet selection by Sommelier Fabrice Sommier is the result of a long-term partnership with our winery. With a deep sense of respect for the regional vineyards and the environment, Fabrice Sommier and our teams are involved in a highly demanding quality approach to create expressive and elegant wines. The terroir of the South of France is the keystone of the style of the vintages.

## PREMIUM WINES FROM SOUTH OF FRANCE

---

All vintages are from parcels carefully selected for the quality of our vines, located in the South of France near the town of Carcassonne. This very sunny terroir with rocky soils, maritime humidity and wind, has all the conditions to create very fruity wines of great finesse. All the wines come from vineyards that are about 30 years old and all the grapes are sorted during the harvest to select only the best.
